

*Owned and Operated by
Firefighter/Paramedics*

**Auto/Work Comp
Skilled & Non-Skilled Care**

As professional Firefighters and Paramedics, we know the devastating injuries that can result from a vehicle accident. With over 20 years experience in emergency medical care, we have responded to hundreds of accidents.

From first response on the highway to rehabilitation at home, we understand the road to recovery.

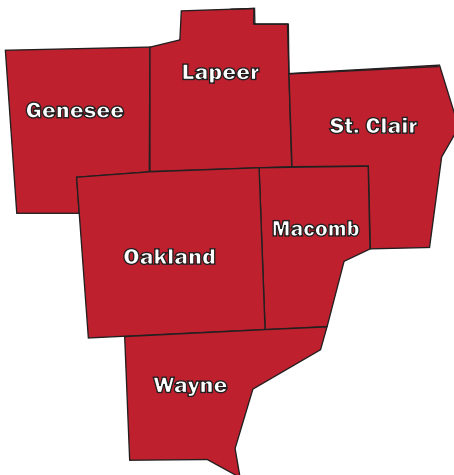

This invaluable experience was the foundation that led us to invest in a home health agency, 1st Call Home Healthcare.

Our mission is to apply the same business philosophy to medical based home care: exceptional customer service and professional caring staff.

Owners: Mike, Jason and Bob

Auto Injury / Work Comp Care at Home

1st Call Home Healthcare is a Home Health and Rehab Agency Owned and Operated by Firefighter/Paramedics

Rachel Schultz, RN, CWCA
Clinical Manager - Auto and Work Comp.

1st Call understands the complex and stressful responsibilities of case managers and family caregivers. To support these efforts, we proudly provide an entire support team for each case including an RN Manager.

Our RN Clinical Manager will be an integral part of all auto and WC cases. She will open each case, train and provide competency evaluations for our field staff, and provide clinical reports to case managers and insurers.

Rachel Schultz has over 20 years experience in nursing and is a certified wound care specialist (CWCA). She has worked in many hospital settings and home care including, ICU, catastrophic care, dementia, and burns.
